- Vacuum Hose Adapter compatible SKIL® Sanders and Any Brand Name Shop Vac with 1-7/8" Hose.
- Allows you to sand dust free, by connecting your sander to your shop vacuum, sucking in all of the dust, keeping your work area dust free.
- Save time and energy with fewer cleanups after sanding
- Easy installation: Remove existing filter, slide small end of adapter onto sander dust outlet, and then connect vacuum hose to the wide end of the adapter.
- Designed specifically to be compatible with SKIL sanders.
- Proudly Made in USA.
- Color will vary from photos.

**Adapts SKIL Corded Multi-Function Detail and Random Orbit Sanders to the following Wet/Dry Shop Vacuums and Dust Collectors:** Ridgid®, Stanley®, Craftsman®, DeWalt®, Bauer®, Vacmaster®, Armor All®, Sun Joe®, Ryobi®, Porter-Cable®, Bosch®, Milwaukee®, Fein®, Koblenz®, Worx®, Kobalt®, Prolux®, Karcher, Metabo HPT, Stinger®, PowerSmart®, PowerSmith®, Project Source®, Wen®, Flex®, Cen-Tec®, Hilti®, Dustless Technologies®, XtremePowerUS®, and many more.

*Breathing in sanding dust particles is not a good idea. Collecting the sanding dust right from the source, your sander, is the way to go. SMR-W-IN1 bridges the gap between your vacuum and your 1-7/8" vac hose so minimal dust escapes into your work area.*
